

# Lock the Gate Alliance (LtGA)

The Lock the Gate Alliance is a national grassroots organisation made up of over 120,000 supporters and more than 450 local groups who are concerned about risky coal mining, coal seam gas and fracking.

- » Lock the Gate was formed in **2010** following community meetings in New South Wales and Queensland.
- » Our **vision** is of healthy, empowered communities which have fair, democratic processes available to them to protect their land and water and deliver sustainable solutions to food and energy needs.
- » Our **mission** is to protect Australia's natural, cultural and agricultural resources from inappropriate mining and to educate and empower all Australians to demand sustainable solutions to food and energy production.
